Discover the new IATE Search

Search by collection

1. Type a keyword or part of a collection name
2. Define more filters for your search (e.g. institution, type or creation date)
3. Click on 'Search'
4. Select a collection
5. Choose at least one display language
6. Display the entries contained in the selected collection(s)

Refinement of results, bookmarks and export are available for both views.

MORE INFO AVAILABLE IN THE IATE HANDBOOK

Discover the new IATE Download

The Download IATE page allows you to export subsets of IATE data. It is only accessible to registered users: to benefit from this feature, you must first create an EU Login account.

1. Choose the export format: CSV or TBX
2. Select the languages to be exported
3. Refine by collections (use the expanded search to browse the available collections)
4. Select one or more domains (subdomains will be included)
5. Choose which term type(s) you need
6. Select the reliability level(s)
7. Pick the evaluation values
8. Generate your export
9. Download the requested dataset within 7 days

Conditions for use

You are allowed to reproduce the data available for download from this page for your personal needs, to distribute it for non-commercial and commercial purposes, and to reproduce and distribute derivative works, provided the source is acknowledged as follows:
Download IATE, European Union, [year].

You are not allowed to reproduce or distribute the Download IATE page or the IATE logo without prior permission.
